Edward R. Korman Honorable Judge United States Courthouse 225 Cadman Plaza Brooklyn, NY 11201

Respected and Honorable Judge, first of all, I want to thank you for taking some of your valuable time to read this letter, so I can express to you all my remorse for the error of my ways I have committed and that at the same time I have come to realize what damage I inflicted on my victims by my conduct. I want to tell you that in the time that I have been serving under the government of the United States of America – 5 years now – I have realized that what I was doing was not good at all. This is why, Your Honor, I want to offer my apologies to you, to the victims, and to the United States of America, as well as to my mother and my children, because I cannot be with them. I also want you to know that no one knows what one has until one sees it lost. This is why I beg for clemency, Your Honor, and for a chance, so that the time that you are about to impose on me be one I can serve to this country; and so that, God willing, I can be with my family and with my mother – because I am now afraid that when I get there, I will not find her, because she is ill.

I also hope I will be finding my children, and why not, that I will reintegrate into society as well. I know that will not be easy, but in the time I will serve the government, I promise to begin studying and that I will work and put a lot of effort into becoming a great person and a great human being. I promise you I will not come back to this great country. Once again, thank you for your valuable time, Your Honor.
